

CEMOF Construction Community Meeting

Dear Residents:

Caltrain is hosting an informational meeting Monday, Oct. 20 at 6:30 p.m. to provide information and answer questions about the Caltrain Maintenance and Operations Facility project and activities in the Lenzen Avenue area. This is an opportunity to learn about the project, as well as ask questions regarding how construction may impact you.

The first phase of construction will begin in mid-October. Work will include realigning tracks and relocating fiber optic lines running through the site. The second phase of work is expected to begin in December 2003. Both phases and the types of activities involved will be discussed at the meeting.

The meeting will be held at Hester Elementary School, 1460 The Alameda. See reverse side for directions.

Additional CEMOF information is available by contacting the CEMOF toll-free hotline: **1.877.433.0300**. For all other project-related inquiries and information please contact Micaela Mazzini at 650.624.2730, or mazzinim@samtrans.com
